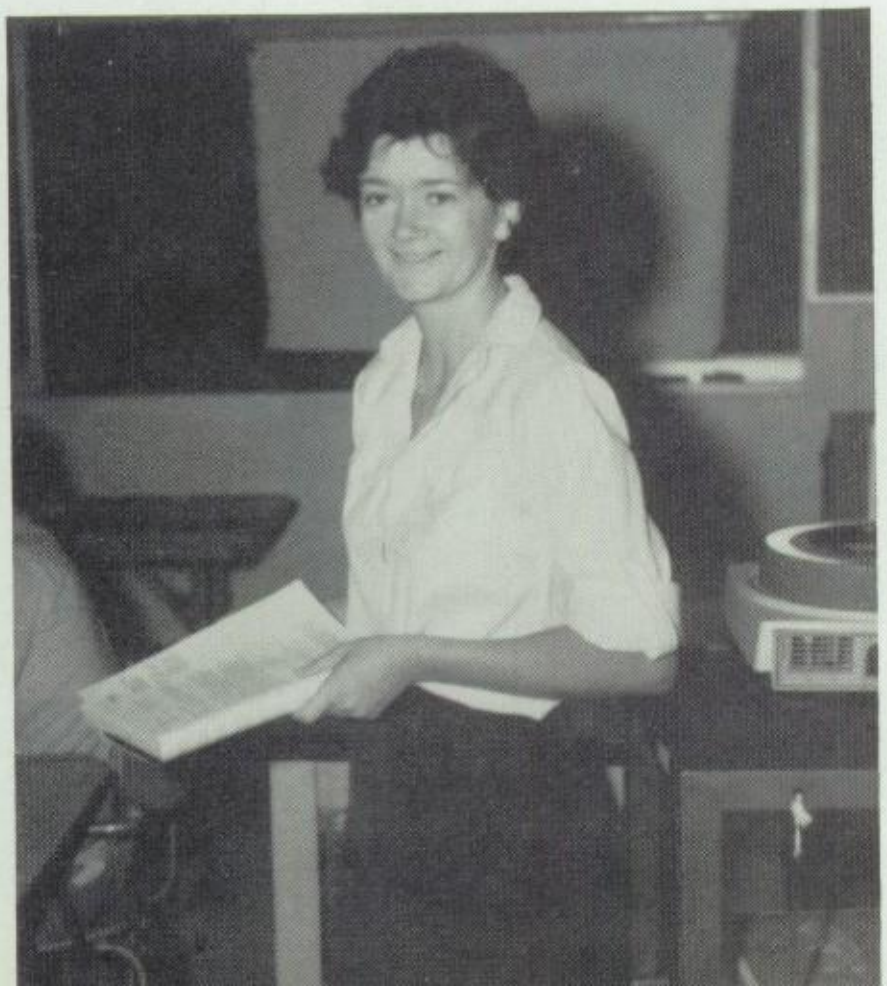
DEDICATION



This year's Irataba is dedicated to **Jan Parrott.** She has been with Mohave for six years. She came to Mohave as Career Education Coordinator, and is presently head of the Science Department.

Mrs. Parrott helped all of us with her tough but challenging classes. Her homework assignments are very **popular** among her science students.

We thank you, Mrs. Parrott, for all the support and knowledge gained. It wouldn't be the same without you!

COMPUTERMANIA

Computers are the answer to every problem, . . . at least that is what some people would have us believe. Computers, in the form of video games, have become a **multi-million dollar industry,** especially with students. Efficiency has been the key through the use of computers.

We, the 1984 Irataba Staff, sincerely hope our **Computer Theme** will preserve the memories of all the experiences and achievements during the 1983-84 school year.

STUDENT COUNCIL

STUDENT BODY OFFICERS

Tom Ericcson-President, Mark Kemp-Corresponding Secretary, Wendy Brown-Recording Secretary, Becky Freeman-Vice-president.

Our student leaders for this year are very unique, self-sufficient, self-confident, and over all independent from their sponsors Mr. Brady, Mr. Miller, and Mrs. Oehlar.

A few of the big programes student council should be proud of are the **Homecoming Dance** which was the best dance since the school opened. Also during **Spirit Week** student council put on a great bond fire with carnival activities for the first time.

Student council has also taken a look at the school grounds and is checking into new and better ideas and programs for next year, which should prove to be interesting.

SPIRIT WEEK

HOMECOMING 1983

Homecoming 1983 was definitely an evening full of success and memories. The 18-6 defeat over Wickenburg set the mood for the theme **"We've Got Tonight."**

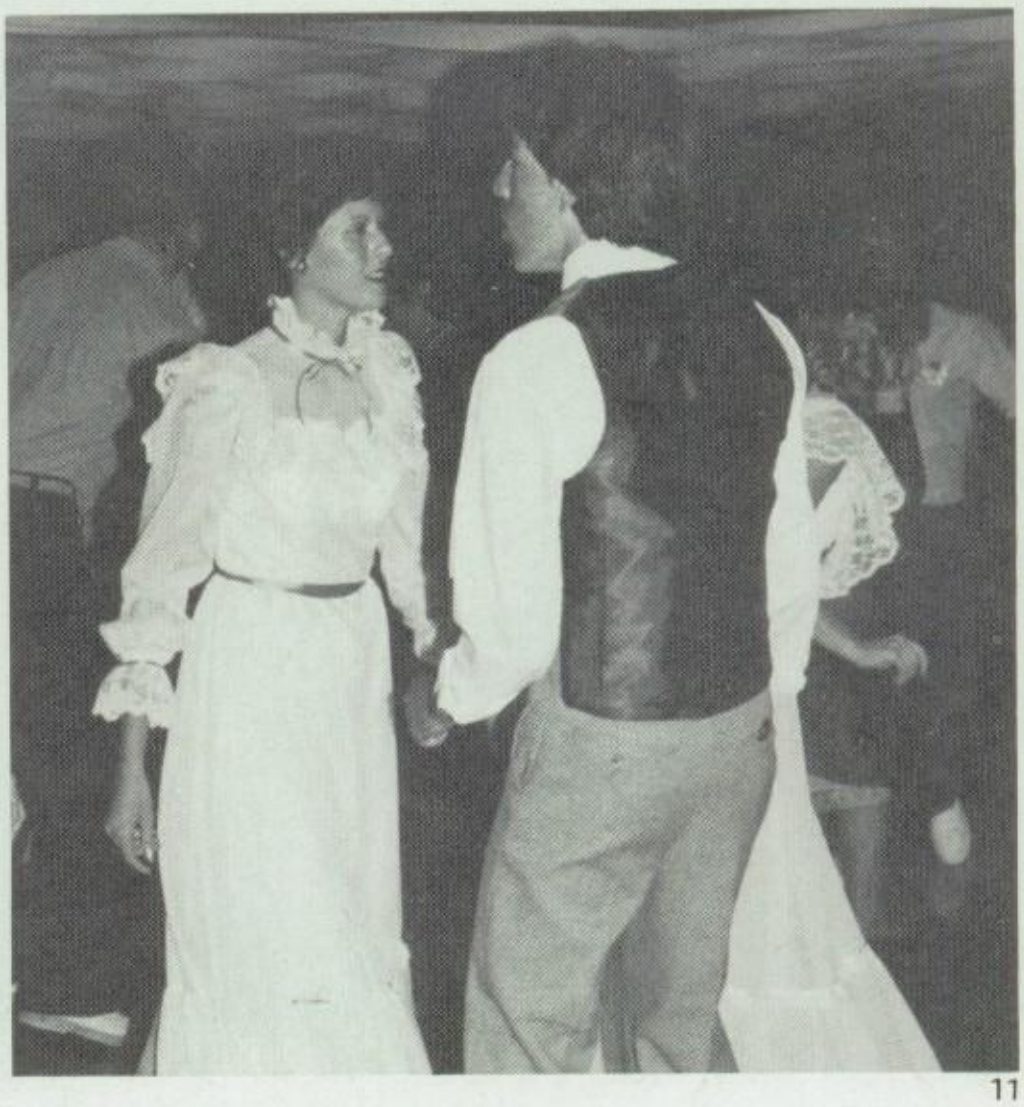
The reigning **King and Queen were Tom Ericcson and Joshie Peer.** They were crowned during the halftime ceremony.

The Junior attendants for the ceremony were **Sheri Lutz and Chuck Morgan;** sophomore — **Jennifer Norton and Tony Castillo;** and freshmen — **Tami Rabb and Larry Perry.**

During the halftime activities the **Freshman float** was chosen as the best float.

Spirit week, which preceeded Homecoming Week, included **Hats, Shades and T-shirt Day, Slob Day, Tourist Day, Slave Day** and the traditional **Green & Gold Day.**

On Thursday evening a carnival was held prior to the bonfire. About 500 students and faculty came to enjoy the various activities. There were booths manned by several clubs, games were held on the field. Faculty members participated in the tug-of-war, sack races and 3-legged race, losing every event. The evening proved to be a huge success.



MOHAVE THUNDER

This year the **Thunderband** started off a great year by purchasing new uniforms and flags to change their style. The uniforms are corps style with white hats with plumes. They are also a lighter weight than the old ones, which is a plus for our warm climate.

The **Thunderband** went to the NAU Homecoming Parade, NAU Band Day and various other competitions. Under the direction of Mr. Tom Sullivan and Corps Commander, Curtis Steveson, the band did exceptionally well at competition, football games and their various activities.

Under the programming of Mrs. Mary Simons the players of Mohave High's **Junior Varsity Volleyball** team are proving to be a great asset for next year.

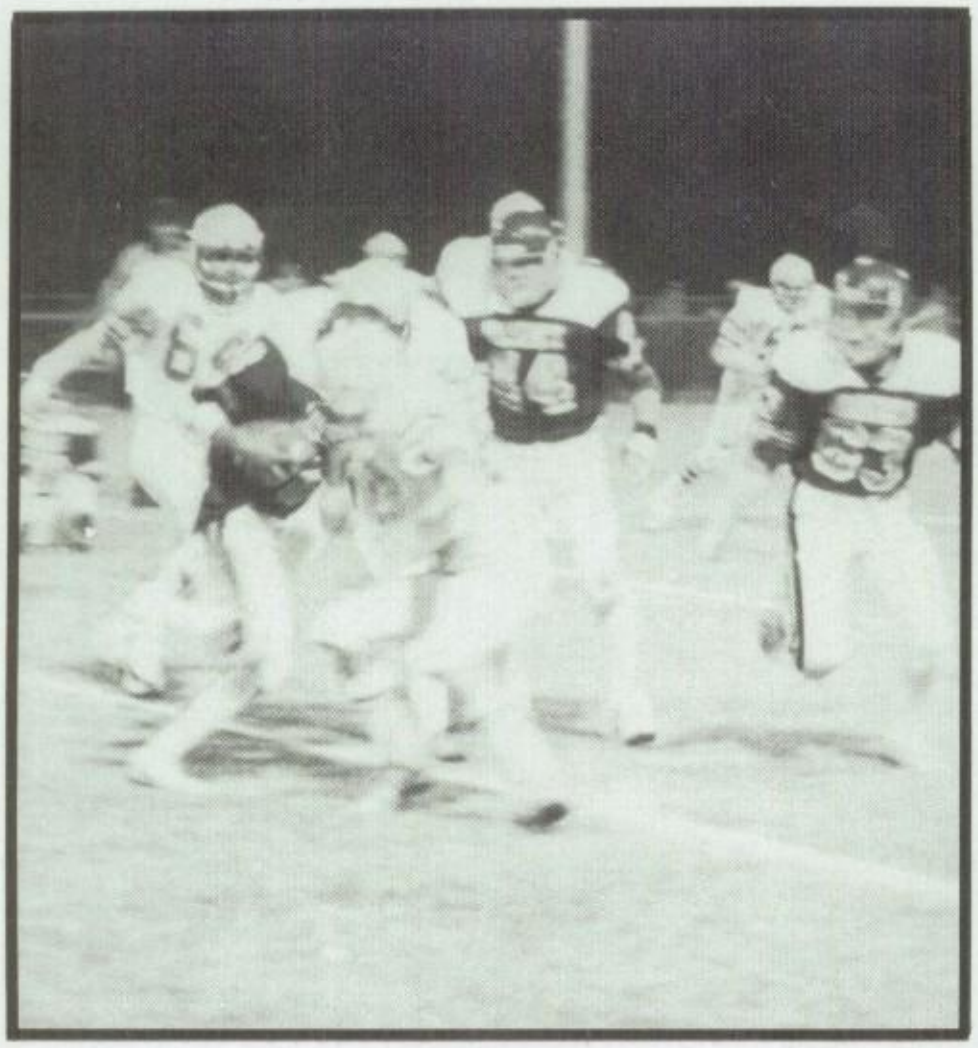
The JV's ended the season 7-0. Aprile Colby, Kelly Applewhite, and Tracy Cunningham were brought up to Varsity for the District Tournament. This will add experience for next year's varsity.

"I don't want it. You have it."

"Oh no. Please don't do that."

"You're kidding!"

"Opps! That's twenty-five more push-ups."



T-BIRDS TAKE 2ND IN STATE

The **Mohave T-Birds Varsity Football Team** made students and faculty proud of them as they placed as **State Runner-up** for Class A division. The game which decided who achieved the state title was against Coolidge. Mohave kept up their offense, but had problems fumbling the ball. The final score was 6-0 favoring Coolidge.

In a semi-final game against Santa Cruz, Mohave won 8-6. Santa Cruz had only allowed its opponents 6 points during the entire season before losing to first place Coolidge 34-6. In the first play-off game Mohave downed Ganado 32-12.

This is Coach Jackson's last season. The team ended the year with a 7-5 season.

Mohave's Varsity Wrestling had the best season ever with a 7-1 record. For the first time in 10 years Mohave was able to defeat Kingman. This may seem surprising since this year's team has a number of freshmen members. Several first places were gained by Shawn Reimer, Dave Workman, Pat Corti, Jay MacDonald, and Rich Underwood. Coach Salyer found this team to be consistently working hard to make this a winning season.

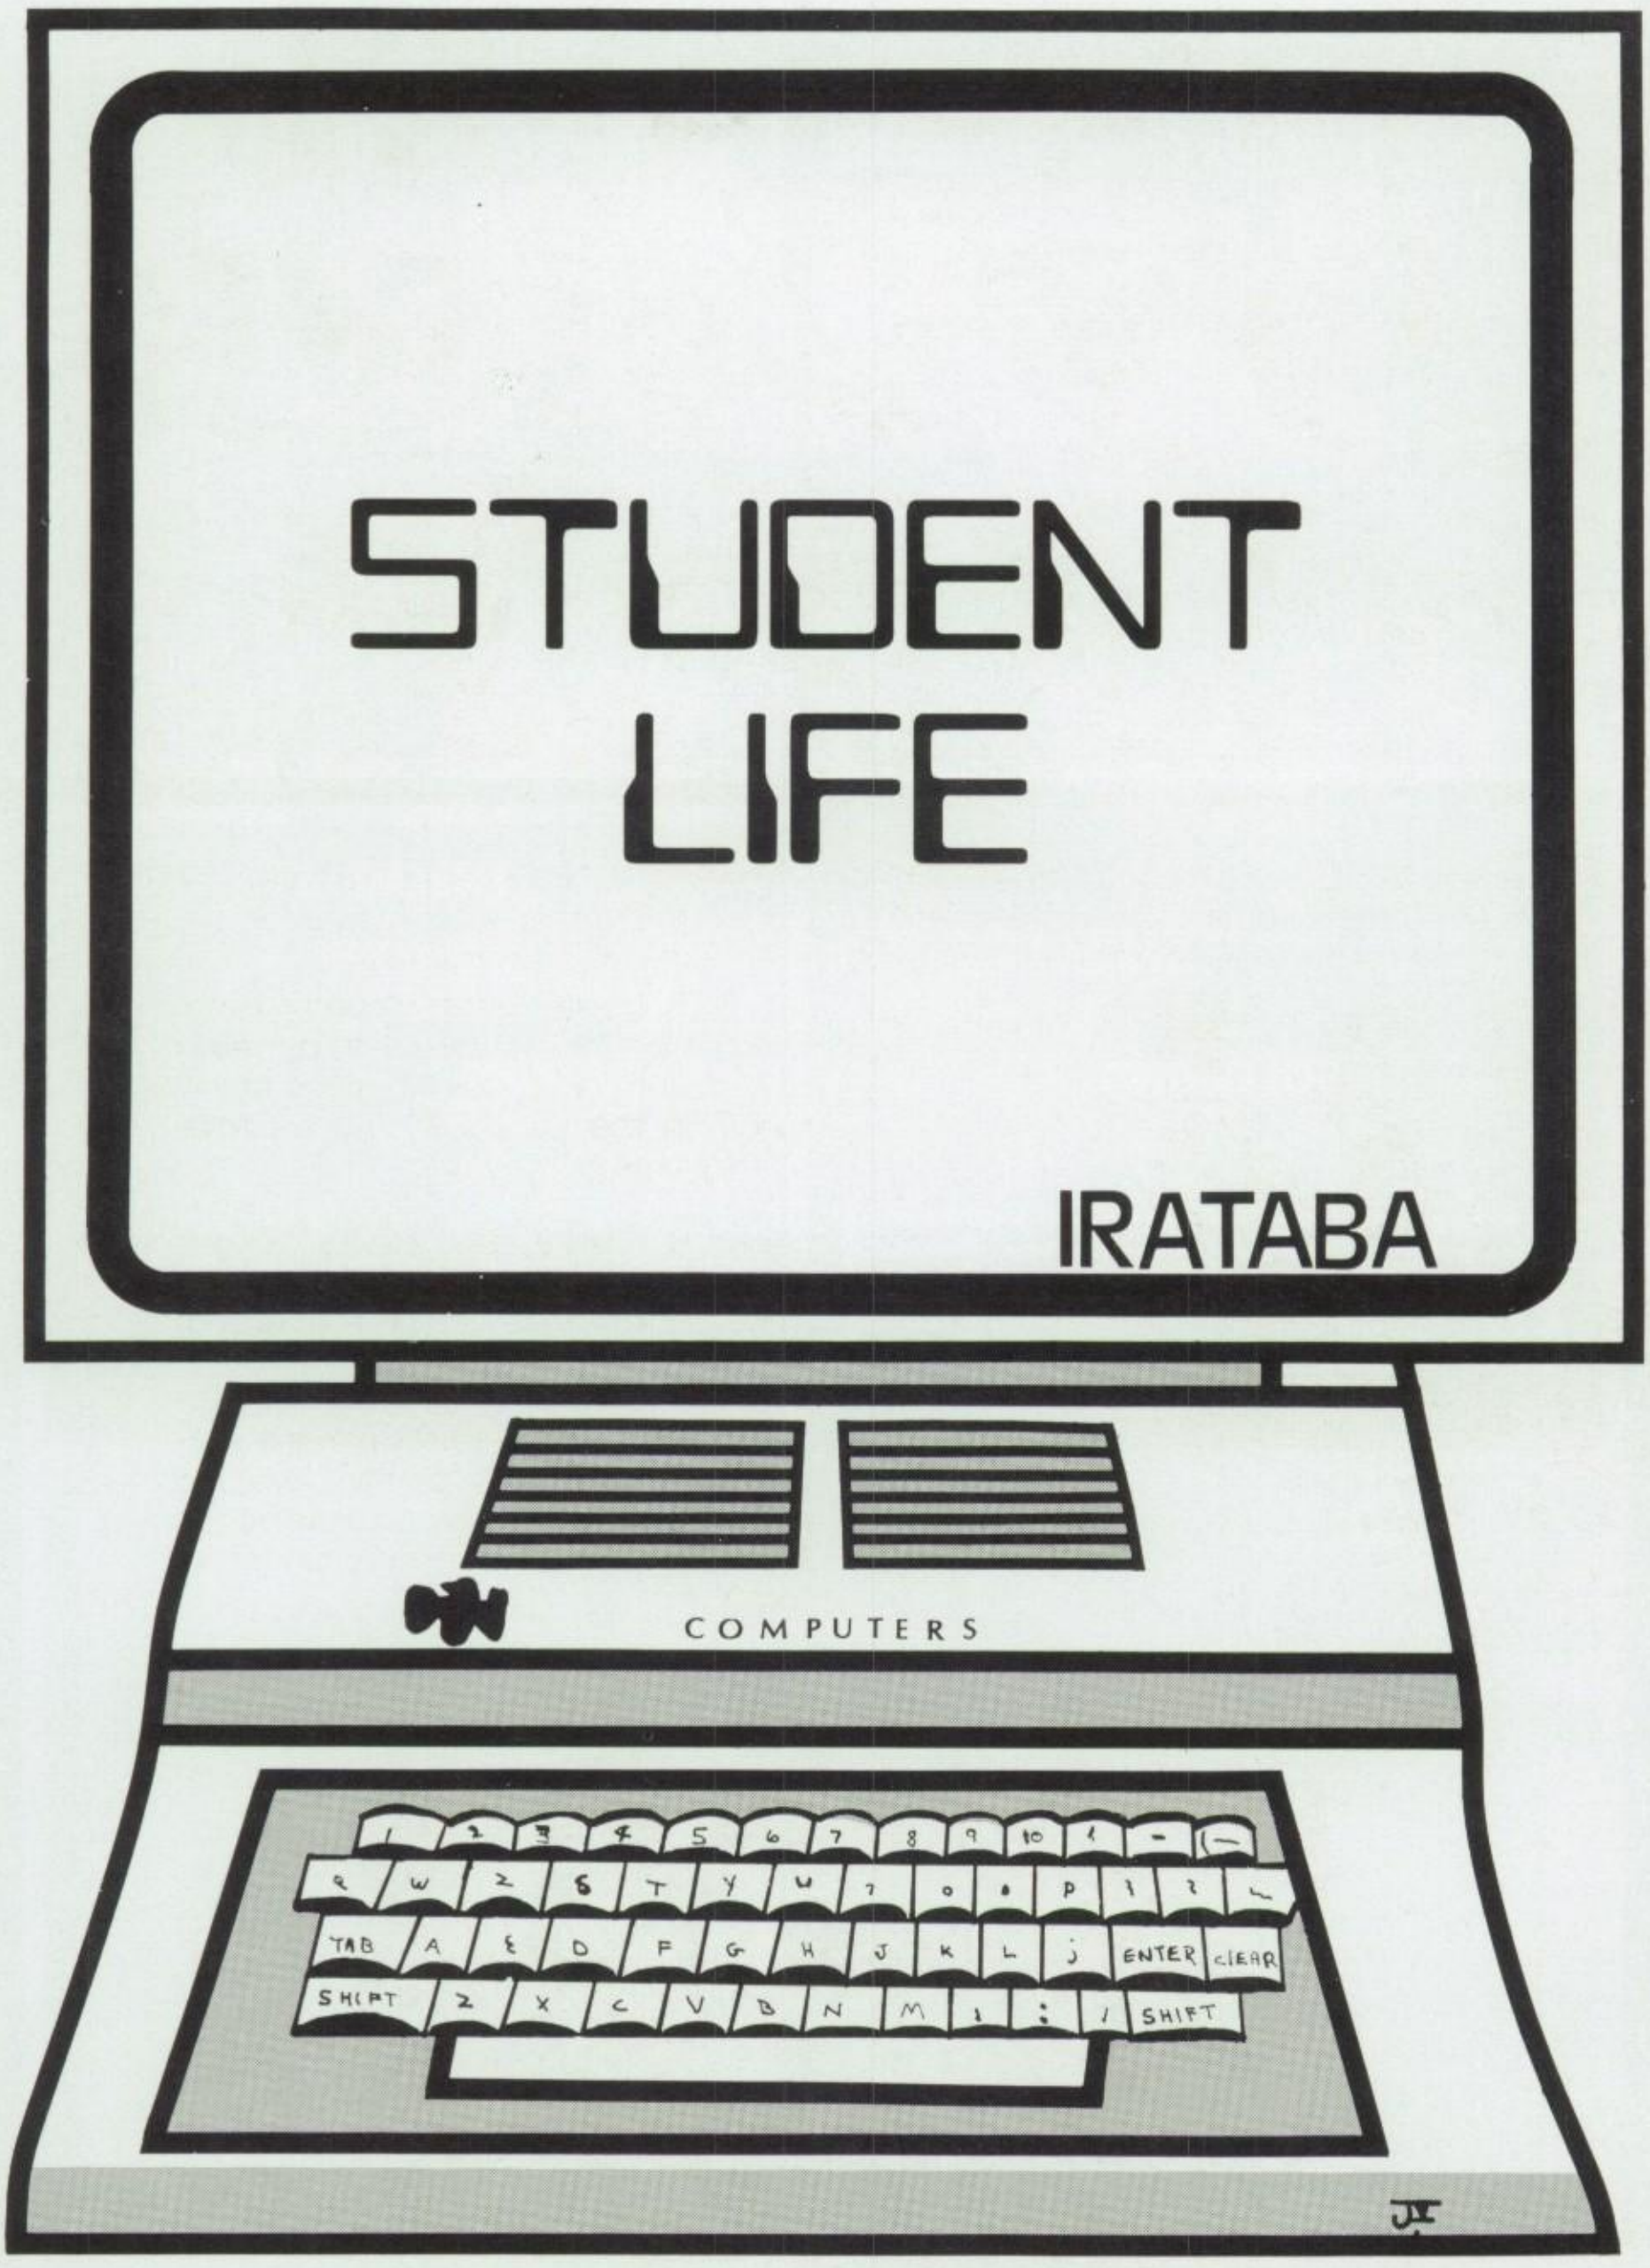
STUDENT LIFE

IRATABA



Choir members made a good showing at the State Solo & Ensemble Festival in Flagstaff. **Scott Walters, Rob Johnson, Carrie Steins, Misty Buckles** and **Jerry Queen** all made the **All Region Choir.**

SOLO AND

ENSEMBLE

Not to be outdone, band members **Cary Etcheverry, Shalu Powell, Becky Steins,** and **Patti Ladd** performed in the **All Region Band.** Several members also received superior ratings on their individual performances.

JAZZ BAND I

Under the direction of Tom Sullivan, the **First Jazz Band** had one of the best seasons they had ever had.

The group consists of some of the best musicians in the school. This year the Jazz Band attended the NAU Jazz Band Festival and received an excellent rating. This rating qualified them to attend state competition at Thunderbird High School, where they did exceptionaly well.

The Jazz Band also performed a Pops Concert with the Stage Singers. Towards the end of the year, the Jazz Band performed a spring concert with the concert band.

JAZZ BAND II

The **Second Jazz Band** consists of students who wish to learn the various styles and techniques of playing jazz music. For students who wish to go on in jazz music, it helps them to prepare for the more advanced, first Jazz Band. The Second Jazz Band plays at basketball games and helps out the First Jazz band at performances.

STAGE SINGERS

The Stage Singers are directed by Joe Burke to allow the students with Vocal Talent to sing challenging music. The organization consists of twenty-five members who perform at concerts throughout the state and compete in Madrigal, Chamber, Vocal Jazz, and Show Choir music.

VOCAL MUSIC CLUB

The Vocal Music Club is sponsored by Joe Burke to oversee the spending of money for all vocal music activities at Mohave High School. Their main projects are fund raisers. Jerry Queen presides as the President, with Misty Buckles Vice-President, Sabrina Erickson Secretary, and Dawn Rhodes Treasurer.

CHOIR

Because the **Mohave Choir** is designed to give students an opportunity to learn about music and to sing, there are no requirements for membership. The Choir boasts between forty to sixty members. BAND TRIP

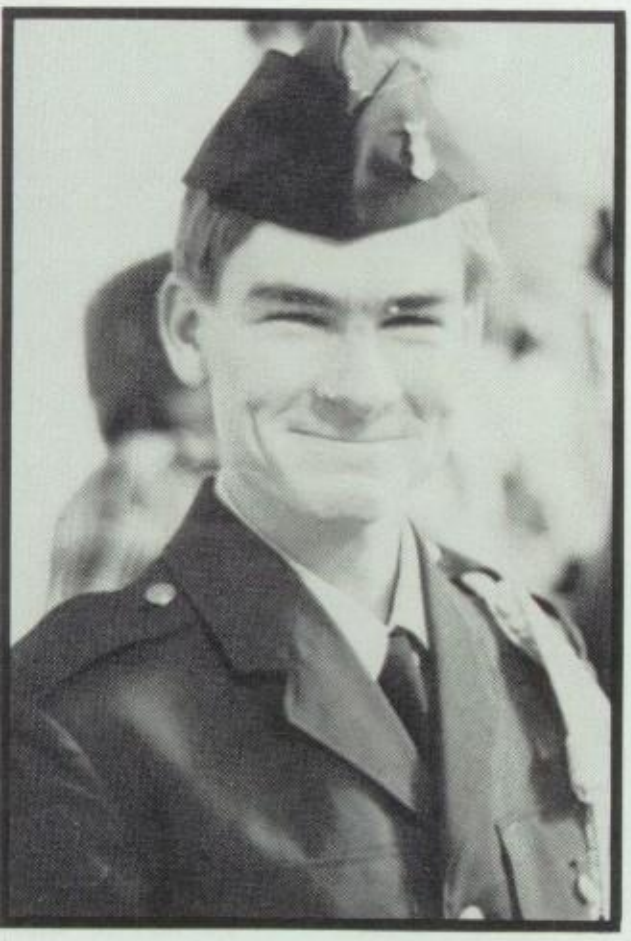
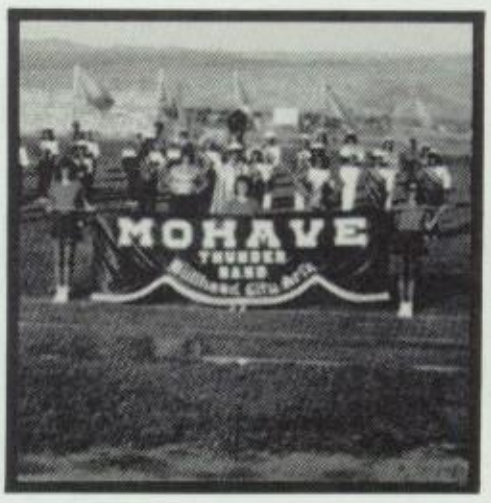
MEMORIES



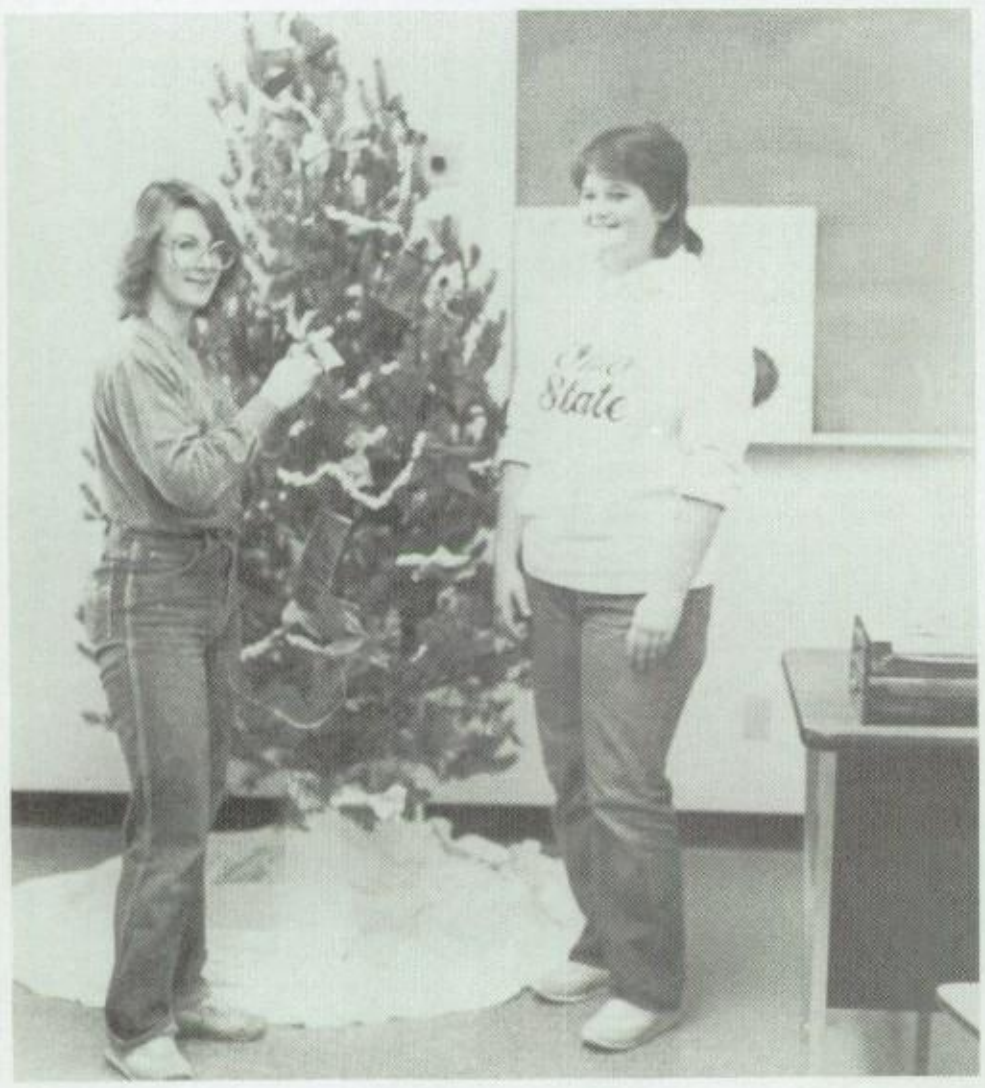
Although the **Thunder Band** works very hard, they also have a lot of fun in the process.

If you were never in band, you've probably heard of some of the wild and crazy things that happen during band trips. In this special section of the yearbook, we've tried to capture some of the memories and crazy things that happen so you can see how much fun they really have!

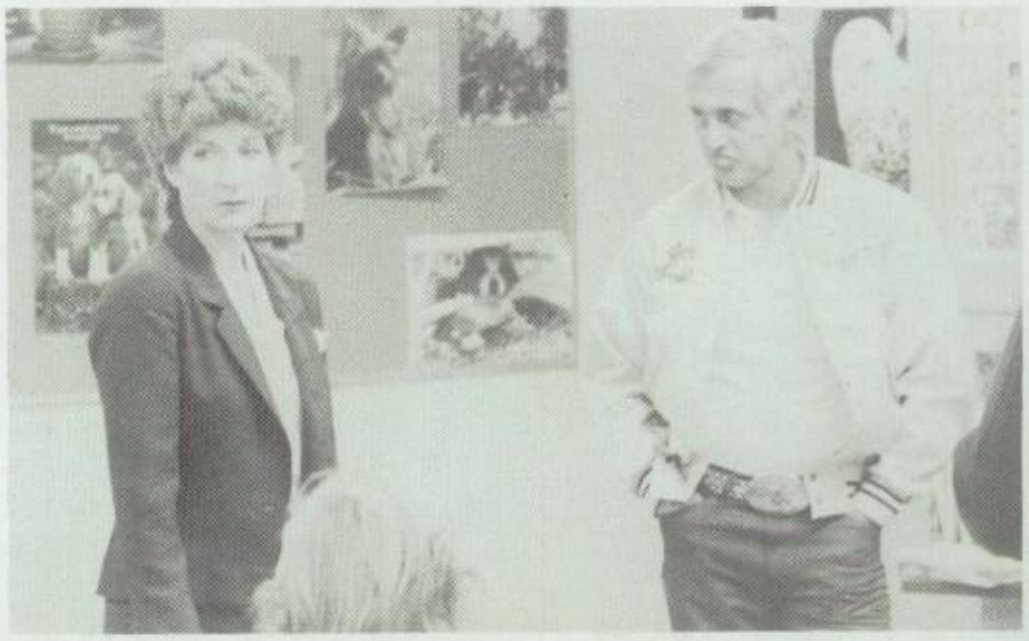


"Hey, what's up?"

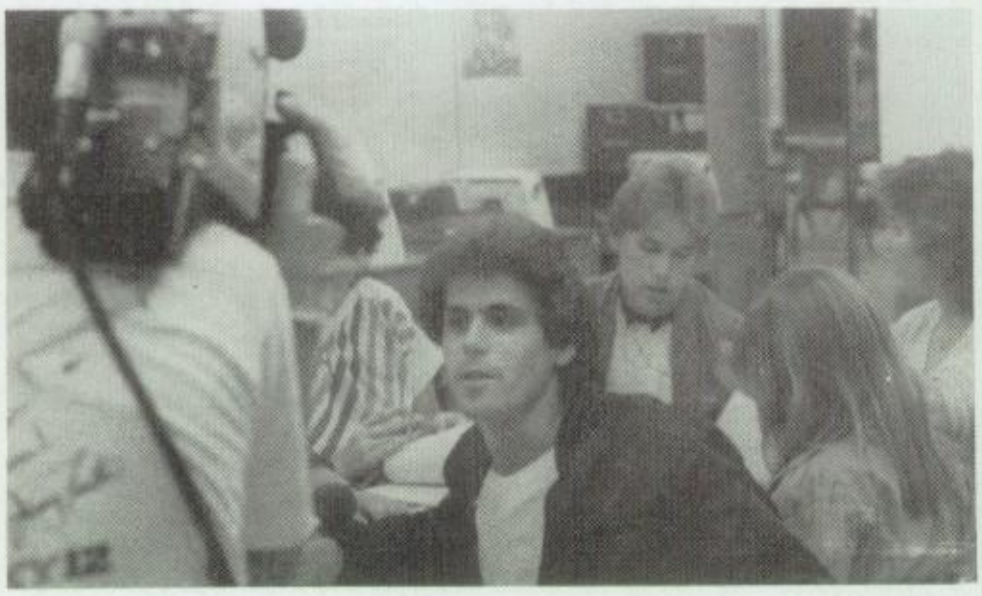
"He went thata way"



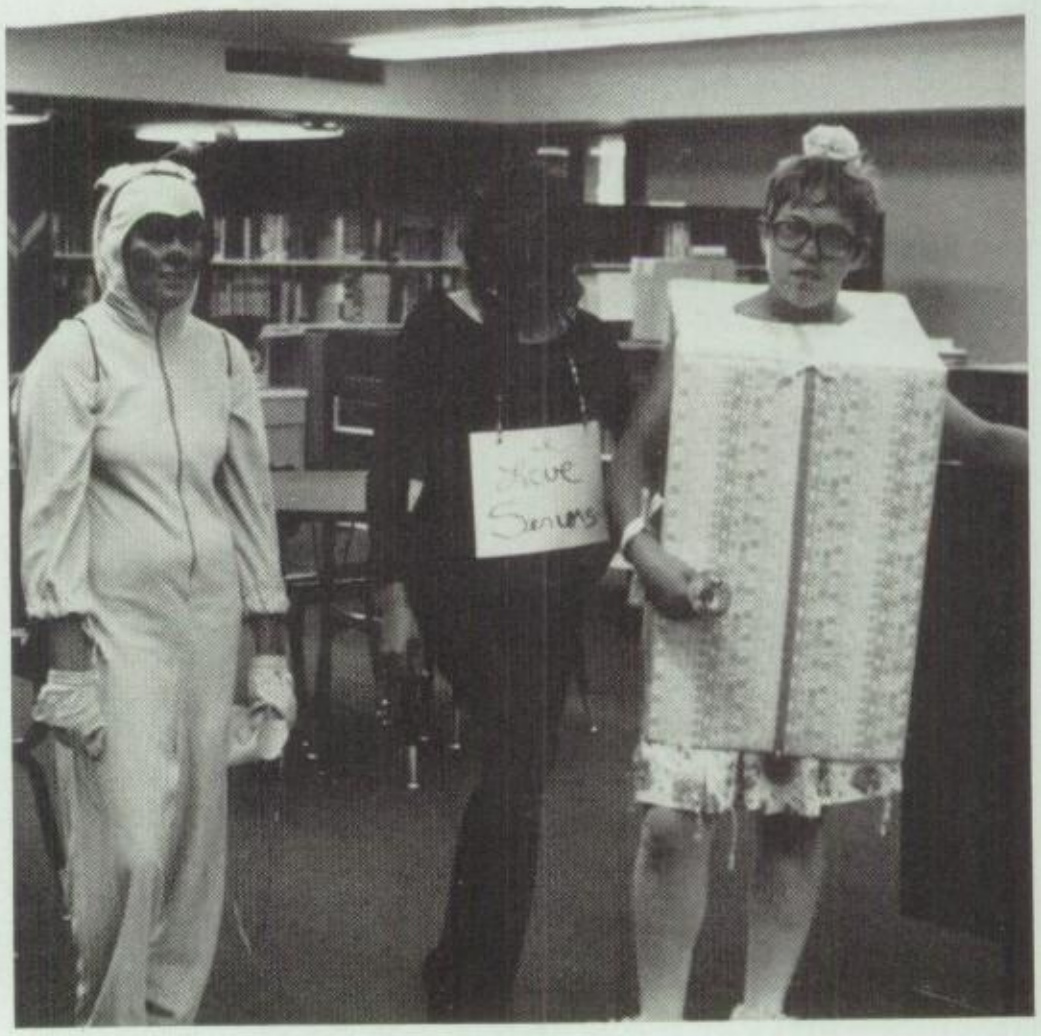
"Merry Christmas"



"Wanna bet?"



"Where's the ham?"



All dressed up and no place to go.

BEST WISHES TO THE CLASS OF '84 from the Friendly Bank

We had lots of good times
And, yes a few were bad
Looking back on all the years
It makes me kind of sad.

Sad because it's over now
Our high school days are done
Just memories of the craziness
And memories of the fun.

Soon the final bell will ring
We'll go our separate ways
We'll wave good-bye to friends we've known
We won't be back next spring.

We'll be proud to start out lives
And hope that they prevail
Through all the good and bad times
Some will win and some will fail.

Just a hint of what goes on
Inside a senior's mind
Afraid of what he is starting now
And what he'll leave behind.

Angie,

Well, we're finished! I hope that enjoyed our relationship as much as I did. You are very ~~[illegible]~~ unique! (and that's a compliment). I hope that you keep in touch. I will miss all the fun that we had in journalism, micro, practicing for talent show, etc. Keep that cute smile.

God Bless You

Love,

Jerry

Queen '1084

Do you remember your first day of high school when all the seniors were looking for you to push pennies, sing around the T-Bird or something ridiculous for initiation? It seems only yesterday when I was referred to as a "punky freshman". Well, here we are, the Class of '84, filled with memories of our fun and sometimes dull days of high school that must be looked upon as stepping stones for the rest of our lives.

With Irataba 1984 We hope that you can capture some of the memories of the past year whether you are a senior or not.

I would like to thank Mrs. Evins, our advisor, for being patient with us when we were late on deadlines and seemed short of our goal.

I would also like to thank Sherri Freeman, Shelly Guse, Lora Benge and Kris Cox for all the hard work they put into making the yearbook.

I would also like to thank my Mom for being so patient at the times of having alot of work to finish before the deadlines.

Most of all, I would like to thank the student body for filling four years of high school full of fun and excitement that I will never forget.

Jerry Queen
Co-Editor

My parents always told me that I'd have some of the best times of my life in my high school years. Faced with graduation I look back at the years I've attended MHS, all the games we've won, good times we've shared, and friends to help us through. I can truly see why they said what they did.

I hope 1984 has been an especially good year for you. Some time in the future when you open your yearbook, I hope the memories you remember while attending MHS will put a smile on your face.

I'd especially like to thank my parents for all their love and support; our advisor, Mrs. Evins, for all her time and effort helping us with this book; my co-editor, Jerry Queen, for the great ideas and sharing the work-load with me; and our assistants, Sherri Freeman and Shelly Guse, for helping out as much as they could. I would also like to thank Laura Benge for her hard work and for selling yearbooks during lunch so Jerry and I could go to McDonalds.

Thanks,
Jay Ireland
Co-Editor
